

Plant Sale Ordering Information

PLANTS:

All plants are **bare-root seedlings** (no soil on the roots). They range in age from 1 to 2 years and in size from 8" to 24". Plants are sold in **bundles of 10** of each species, except for our wildlife bundles.

Wildlife Bundles: This year we are offering bundles of plants chosen for their value to wildlife. We are offering two different bundles, one with plants suited to drier soils and one with plants suited to wetter soils. The wildlife bundles include a total of **20 plants** with five plants of four different species. Please see the order form for information on the plants that are included in each bundle.

AVAILABILITY:

All plants are sold on a **first-come, first-serve basis**. Plants are pre-ordered now for pick-up in March. Quantities are limited and many species sell out, so please order early. In the event that we cannot fill part or all of your order, a refund or plant substitution will be offered.

PLANT PICK-UP:

Plants are available for pick-up on **March 4th at Lazy J Tree Farm** (located on the east end of Port Angeles) from **10:00am to 12:00pm**. Unless prior arrangements are made any **plants not picked up on this date will be donated** to restoration projects.

All orders must be **prepaid**, either by cash or check. Sorry, we cannot accept credit cards.
